**Match report:**

Welcome all to the first men's competitive match report.

Saturdays game had a few shocked results across the board, the overall game result was always in the balance. At 15 ends we were 17 shots ahead. Which started to be eroded away by Notts, reduced to 12. Over the 19 / 20th ends Worcester only managed to pick up a further 5 shots to Notts 19 shots, this then putting the game to within 2 shots overall.

We never managed to recover from this deficit and then a further 9 shots were lost across the board on the 21st ends, with only a reply of 4 shots.

Worcester running out 121 shots and three winning rinks, Notts running out at 128 shots and also winning 3 rinks. So 6pts to Worcester and Notts picking up 16pts.

The next game is the Midland Counties 2023 Final at Leamington Spa. We wish you all the best and please note bacon sandwiches will be available before the game.
